

FORM 1390

Box 3 is checked. This is an express request to begin national examination procedures.

As a courtesy to EO/DO/US, attached is an extra copy of the International Preliminary Examination Report dated July 8, 2006.

It is noted that the International Preliminary Examination Report prepared by IPEA/US indicates that all claims satisfy all the provisions of PCT Article 33(1)-(4). As such, pursuant to 37 CFR Section 1.496, the USPTO is obligated to examine this application "out of order." It is requested that this application be flagged in Palm as being examined "out of order."

A copy of the International Application as filed has been communicated by the International Bureau on October 6, 2005. As a courtesy to EO/DO/US, attached is an extra copy of the International Application as filed.

Declarations for all inventors other than Mr. Finkelstein were filed with the EO/DO/US on December 15, 2004 and were received by the USPTO on that day. As a courtesy to EO/DO/US, attached is an extra copy of the Declarations as filed.

A declaration for Mr. Finkelstein was filed with the EO/DO/US on March 3, 2005 and was received by the USPTO on that day. As a courtesy to EO/DO/US, attached is an extra copy of the Declaration as filed.

Amendments to the claims under Article 19 have not been made and will not be made.

Respectfully submitted,

/s/
